Subject: FORMULA # 0323....GENTAMYCIN IN 1l BAG

FYI

I CHANGED THIS METHOD.....HAVE BEEN MAKING ABOUT 2200ML OF STOCK EVERY MONTH TO ADD-MIX INTO 1L BAGS OF NS.....MAKE A 3 MONTH SUPPLY = ABOYT 7000ML AND FULL TEST ONCE ....WILL BE ON HAND FOR NEXT 2 MONTHLY ORDERS.
DOES THIS MAKE SENSE?

JUST TEST STERILITY FOR FINAL PRODUCT....DO NOT HOLD ORDER.
